Sinbo, is a **20** year old brand that achieved to merge the traditional values of these lands with the global values. Furthermore, it is one of the largest small home appliances (SHA) manufacturing centres. Thanks to the **TURQUALITY®** support program that the company became a part of since **2012**, it is now a 'Global Brand' exporting spanning to eighty countries.

Sinbo aims to have a strong presence in global SHA market with its R&D and manufacturing capabilities and to be the industry leader in target countries, as it is in Turkey. The company has a production capacity up to **40.000** pcs and undertakes design and manufacturing operations in the huge state of the art facilities that span to **65.000 m2**. Utilizing "Scale Economy" in every field and competing in the target markets and leading the markets, Sinbo strides forward without compromising "quality products with affordable prices" vision and innovative R&D investments as principles.

The primary goal of Sinbo, with **TURQUALITY®** motto, to promote **MADE IN TURKEY** and **TURKISH QUALITY** perception throughout the world and in its industry.

+ Advantages

Sinbo Small Household Appliances

R & D

Environmental friendly solutions that create innovative designs and ideas.

Quality

The high quality materials of Sinbo appliances warrants a longer life cycle and you can enjoy the robust kitchen helpers for years to come.

Automation Systems

Sinbo industrial automatic robots allows the product capacity to be improved. Applications are done every time accurately and with high recurrence rate.

Design

The characteristics of Sinbo appliances are having a simple, clear and modern design. This also translates to a long lasting high quality and robust product quality.

Warehouse Systems

In order to meet the high product demand, we are always ready with our 42.000m2 warehouse managed with high technology barcode system.

COOKING

SP 5208 Crepe Maker

- With hanging handle
- Non-stick cooking plate for easy cleaning
- Switch with indicator light for easy operating
- Plate diameter:20cm
- 700W

EAN 8693807227880
Koli içi 6 ad.

SCO 5038 Electric Cooker

- Stainless body
- Cast-resistance
- Power control with thermostat
- Adjustable temperature control
- Quick heating with high efficiency
- Indicator light for operation
- Non-slip feet
- 1500W

EAN 8693807229648
Koli içi 6 ad.

SCO 5043 Multi Cooker

- 1 Lt capacity
- Stainless hidden resistance
- On/Off switch with light
- Steam cooking tray
- Soups, rice, spaghetti, cooking vegetables, boiling eggs
- Easy to clean thanks to its wide mouth
- Tempered glass cap
- Safety system preventing overheat and dehydrated operation
- 400W

EAN 8693807230408
Koli içi 12 ad.

COOKING

SDF 3827 Deep Fryer

- 3.0 L oil capacity
- Removable enamelled oil container
- Up to 190 C adjustable thermostat
- Removable thermostat unit
- Stainless steel housing
- Removable stainless steel upper lid
- Metal frying basket
- Heat proof frying basket handle
- Power indicator and heating light
- Non-slip feet
- 2200W

EAN 8693807208377
Koli içi 4 ad.

SDF 3832 Deep Fryer

- 1.5 L oil capacity
- Non-stick oil container
- Up to 190 C adjustable thermostat
- Stainless steel body
- Metal frying basket
- Heat proof frying basket handle
- Heat proof tempered glass lid
- Power indicator and heating light
- Dishwasher safe glass lid and frying basket

TURQUALITY®, the world's first and only government-backed branding program. Nowadays, with increasingly intense competition and changing consumption patterns, companies that want to take part in the international arena more value and meaning more market share are encouraged to create strong brands.

TURQUALITY® Program Preliminary Investigation Study is conducted by the management consulting. In this study, all departments of the company are analyzed. After Preliminary Assessment Study report prepared by the Ministry of Economy is evaluated. Following the evaluation, the coverage may be denied the application, the company brand within the scope of the program or could be included **TURQUALITY**® Program.
